FOR HUMANITY FOUNDATION IS OFFERING YOU THE MOST POWERFULL ARABIC COACHING SERVICES TO ENHANCE YOUR EMPLOYEES BUSINESS PERFORMANCE BY TECHNIQUE OF ONE TO ONE COACHING SESSION .

COACHING SERVICES

The model of coaching that will be applied is a mix of applications of three models (re-form oriented coaching model -subject specific coaching model -program specific coaching model) (working on making differences and change (person whole life circle and wheel of development and concentrate on company target goal for each client to make a specific coaching program for each client to get ride of his mistakes and obstacles and enhance his performance and reach the company target)).

At first we should build rapport and trust with the client then analyze his existed state of performance then facilitating client change (long process of making real change on values and beliefs which are main core of business behavior) then follow up him then evaluate his progress to make sure that we reached the desired state.

BY - FHF -

Why coaching?

- Ensures that the level of performance reaches the best
- Achieves job satisfaction among employees
- Works on four main aspects: "The internal situation - the cultural situation - the technical situation - the orientations"
- Achieves the highest degree of follow-up and evaluation of the performance and impact and development of employees and established periodically

What distinguishes us:

Training Games: we offer a wide range of activities, exercises, and games, training courses outside the hall, which had been prepared creatively and innovative excitement commensurate with all career groups and managerial levels and age group to build mutual trust between each other and between the workers and the foundation and raise the level of performance and strengthening the spirit of belonging and loyalty of the foundation and building a successful work team and providing a climate suitable therapist safe area to achieve the best performance and the highest return on high quality
