FOUNDATION FOR HUMANITY

ABOUT

For Humanity was established in 2009 and was legalized in 2012 to be one of the leading companies providing consultancy and innovative solutions in the field of training and coaching of local and Arab organizations .

Since its establishment, For Humanity has worked to identify the main training areas of interest to different companies and institutions By providing our programs and consulting processes with a unique methodology that is in line with global standards of training, we have taken it upon ourselves to be our mission before our field.

Welcome to the world of For Humanity for training , coaching and consulting . All of our clients always will be satisfied and have all gratification they want .

FOR HUMANITY
WWW.FHF.CO.COM

OUR VISION :-

Access to support points to increase the capacity of Egyptian and Arab institutions through the application of scientific and practical methodologies in line with the recommended international standards.

OUR VALUES :-

- We focus our efforts on the client
- We are open and trustworthy and we love to work fairly
- We rely on dynamism and innovation
- We work together as a team
- We value people and encourage diversity in all its forms
- We are excited to increase confidence and influence around us
- We support equal opportunities
- We believe in partnership

OUR MISSION :-

Develop human performance through knowledge and exert all efforts to develop the basics and methods of change through consultation and training.

OBJECTIVES:-

- To contribute to the good training of institutions in Egypt and the Middle East
- Enhancing the quality and effectiveness of human resources training and development in Egypt and the Middle East.
- Promote the personal and professional development of members in training and development through the detection of current thinking and the formation of best practices.
- Achieving the highest international standards recommended in the field of corporate training.
- Making use of the appropriate conditions to activate the effectiveness of training.

DISTINGUISH:-

- Enterprise development by providing world-class solutions designed to deliver tangible results to our clients' business.
- Our trained practitioners, our programs and scientific applications, have practice, but the basic feature of trust in our coaches is that they are highly qualified.
- We will not forget you after the completion of the training programs, but we have monitoring and monitoring programs to follow the results of the effects of change on the institution.

“ We aspire to earn your trust and share with us to create a successful cooperation opportunity.

FOR HUMANITY FOUNDATION LOGO MEANING

we are caring about humanity as a united cultures and one humanity civilization . so we put 3 united connected people together in our logo.

we believe in sustained development (with no end), so we put infinity sign in our logo.

we assume that more than 90% of our clients problems will be one of (RAFK) model (3 SUCCESS UNITED CIRCLES) components :-
 1-Raghba (want) which needs motivation.
 2-Forsa (Chance) which needs Searching.
 3-Kodra (Ability) which needs Learning.
 *SO we help our clients in :-
 MOTIVATION- SEARCHING- LEARNING

FOR HUMANITY FOUNDATION SERVICES :-

- 1- TRAINING SERVICES.
- 2-COACHING SERVICES
- 3-CONSULTING SERVICES

SHOULD HELP US REACH OUR GOALS :-

- 1-HELP ALL HUMANS AS A ONE HUMAN CULTURE.
- 2-KEEP OUR CLIENTS IN A SUSTAINED DEVELOPMENT PROCESS.
- 3-REACH (RAFK) MODEL COMPONENTS.
